+91-8889080971 | [vikasjethani2004@gmail.com](mailto:vikasjethani2004@gmail.com) | [linkedin](#) | Bhopal, India (willing to relocate)

Motivated Computer Science student with hands-on experience in software development using **Python, FastAPI, and SQL**. Familiar with **backend development, database management, data analysis, and machine learning fundamentals**. Possess **strong problem-solving** abilities and a willingness to learn and adapt to new technologies while contributing to real-world software projects.

## TECHNICAL SKILLS

---

**Programming Languages:** Python, Java, JavaScript, SQL

**Backend and Databases:** Django, FastAPI, REST APIs, Flask, PostgreSQL, MySQL, SQLite

**Core Concepts:** Data Structures & Algorithms, DBMS, OOPs

**Data & Processing:** Pandas, NumPy, Matplotlib, Plotly

**DevOps & Tools:** Git/GitHub, Docker, Linux, Postman

## ACADEMIC PROJECTS

---

### E-Commerce Data Analytics Platform

*Python | Django | PostgreSQL | Pandas*

- Developed a Django-based web application for managing and analyzing product data.
- Built REST APIs using Django to perform product search, retrieval, and management operations.
- Used PostgreSQL for database management and Pandas for basic data analysis and reporting.

### Student Performance Analytics & Reporting System

*Python | FastAPI | PostgreSQL | Matplotlib*

- Developed a FastAPI-based backend application to manage and analyze student performance data.
- Integrated PostgreSQL for efficient storage, retrieval, and management of academic records.
- Created reports and visualizations using Python and Matplotlib to identify performance trends and insights.

## EDUCATION

---

**B.Tech in Computer Science & Engineering**

2023 – 2027

**VIT Bhopal University** | CGPA: 7.30

**Class XII** | Mithi Gobindram Public School | 77.6

## CERTIFICATIONS

---

Earned Elite Gold Medal in NPTEL Course “**Internet Crimes and Cyber Security**” with a score of **99%** [Certificate](#)

Scored **96%** in Coursera Course “**Applied Machine Learning in Python**” [Certificate](#)
